Palmer,  
Would you mind writing the responses to compensatory mitigation comments here? And cc me when you send them back so I can make sure we are consistent for Chapter 4 comments. If you search on my name you should be able to find those places that need a response.

Hi Glenn,

I've attached responses and/or comments for the three where I found my name. Phil, your name was also on those three, so I've cc'd you.

Cheers,  
Barb
